President's Letter

One of the many benefits of being a member of the Wasatch Mountain Chapter of the Studebaker Drivers Club ought to be our ability to “network” on finding the best options and avoiding the pitfalls. There is no one to blame for this but still the solutions elude us.

You do not know what I am talking about do you? Our hobby and passion with Studebakers are getting more and more expensive. As we get older, we cannot do some of the things we used to be able to do. Therefore, it is even more critical than ever to keep a “list” of the vendors and businesses that offer good work and reasonable prices and that we share that information with other members. We need to find a better way to communicate our knowledge and experiences. More on this later...

Live well and prosper and abound in goodness!
Your President! John

September 2, 2023 Breakfast Meeting

John started off the meeting with a bunch of jokes which went over like a lead brick. If anyone has any good jokes, you might want to send them John's way.

John welcomed everyone to the meeting and gave a personal welcome to Mike Cazier.

John then said that everyone who attended the club picnic had a wonderful time. He thanked Raymond and Diana Compton for hosting. In lieu of a donation for the picnic, the Compton's asked that we donate the money instead to the Marriott Library. John proposed that we donate \$50 and everyone agreed.

John mentioned that those who attended Kruisers for Kids had a fun time and the weather was perfect.

Our September activity is being held next weekend on the 9th. Our activity has been changed a few times. At the Kruisers for Kids show we were hit up about attending the Legacy Car Show. The officers discussed and decided to change plans once again so we will be attending the Legacy Car Show. The show goes from 10 am to 2 pm. Gale said that he will be going early in order to try to get us a spot. If you plan to bring a car, you need to be there by 9:30 am.

John let us know that on October 7th, we will be doing a drive after the breakfast meeting. The current plan (weather permitting) is to drive the Alpine Loop. We will start out at the Golden Coral and take I-15 down to Lehi, where we will be getting off at the exit where the outlet stores are located. We will gather at the Porsche dealer. We will then head to Cascade Springs and head to Midway where we may stop for lunch. John is still figuring out the details and will have more info later.

John asked David Mark, our treasurer, if it is too soon to pay dues. Several members paid their dues. Reminder that dues are \$15 and are due by December 2nd, if you want to get in on the drawing.

We were all reminded to leave a tip.

The 50/50 drawing was won by David Mark.

Since we only had two Studebakers, John came up with a unique idea. He gave out one ticket for every member who has a drivable Studebaker and for those

who drove they got an extra ticket. The Drive Your Studebaker drawing was won by Gale.

Those in attendance were: Fred Ball; Joe Bordelon; Mike Cazier; Raymond & Diana Compton; Eddy Julius; John & Dianne Levanger; Bruce Linger; David Mark and guest David; Gale & Linda Nation, 61 Lark; Marjeen Nation & Jeff Susott; Terry & Janell Overturf, 65 Daytona; and Barbara Varner.

Legacy Car Show

The day was perfect for a car show. The weather cooperated and was not too hot or too cold. There was a bit of a breeze every now and again. Gale and John arrived to the show early to block off spaces for everyone in the club to park. As Gale was backing the 55 President into the parking space, it decided to die on him. Gale decided to let Suzy have her way and left we she wanted to be while he went and grabbed a cup of coffee.

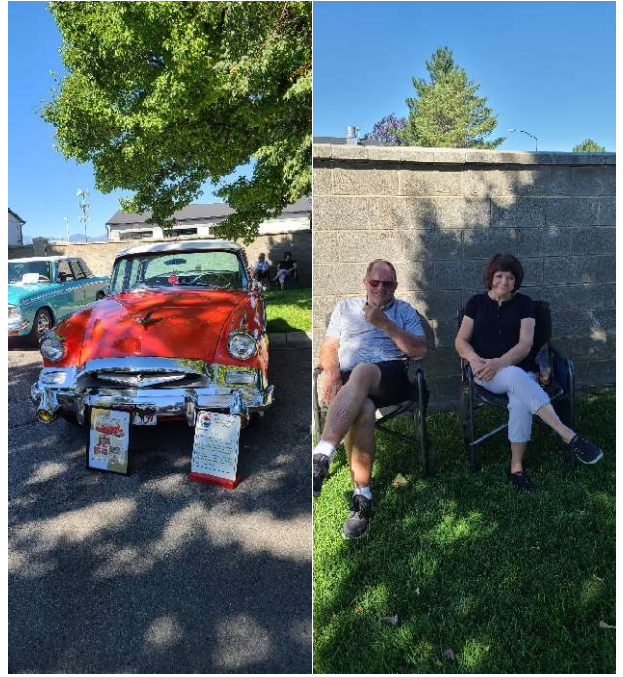

One by one everyone arrived. Fred let us know that he would be unable to attend. The Smart's let us know that they had a free day and would be joining. It was great to chat with them. We were able to secure a nice shady spot to place our chairs, minus the huge whole that we had to place a chair over so no one fell into it. In the morning there were donuts, coffee and hot chocolate for everyone. You could purchase t-shirts and raffle tickets.

They also had a live band playing. Other activities included face painting and balloons for the kids. There were close to 200 cars that were registered.

We enjoyed a free lunch of hot dogs, chips, and watermelon. Water was also available. The Levanger's son-in-law came with his three kids. After they walked around a little bit and grabbed some food, they came and sat with us. The people were sitting next too allowed the kids to sit in their car.

At the end of the show, Gale went to see what he could do to get the car to started. Thou and behold as soon as he turned the key it started right up. We all high tailed it out a little early to avoid the big rush.

Those in attendance were: Raymond & Diana Compton, 74 Avanti, John & Dianne Levanger, 60 Lark; Gale & Linda Nation 55 President; Marjeen Nation; Terry Overturf, 65 Daytona and Phil & Debbie Smart, 64 Avanti.

Sponsor Announcement

It is that time of the year, we need to start thinking about sponsors. If you know of anyone who would be a good sponsor, please reach out to them.

*** *Reminder* ***

If your contact information changes or you add or delete from your Studebaker collection, please let one of the officers know so that we can update the roster. Thanks!!

For Sale

It's that time of year again to clean the cars and garage. If you have cars or parts for sale, why not list them here. That way others near and far can be informed as to what is happening! It costs nothing but your time.

Well Wishes

For any members who have been feeling under the weather or undergoing medical procedures, we can't wait to see you, cheerful, happy and healthy again.

Thanks for Paying Dues
